If you are travelling to Australia and you require medical treatment you should enrol with a local Medicare office.

Special conditions apply to each section of your policy – please refer to the policy wording for full details.

Your Flexicover travel insurance policy is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred unless these have been specifically agreed and authorised by the Medical Emergency Assistance Company.

In the event of any medical treatment becoming necessary which results in a claim under this insurance, you will be expected to allow insurers or their representatives unrestricted reasonable access to your medical records and information.

Medical Assistance Helpline

What you should do if you need out-patient treatment or treatment for a minor injury or illness

Please be aware that this is a travel insurance policy and not private medical insurance, therefore you should always try to use public health facilities if they are available.

FOR A NON-URGENT MEDICAL SITUATION

That is something **you** would normally see your GP or minor injuries unit for, so **you** don't need to attend a hospital but do need some medication to treat a non-emergency situation. Like what? Poorly child with tonsillitis? Infected cut on foot?

We have teamed up with Medical Solutions UK Ltd, who offer UK registered doctors who give medical support and assessment over the phone and are able to prescribe globally. This means **you** can quickly access support with minor ailments without disrupting **your trip** too much. **You** can access this facility free of charge by calling +44 161 468 3797.

YOU CAN ALSO CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency treatment or management regardless of their ability to pay or any other consideration, a failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

OPTIMAL CARE

In **our** experience access to the best doctors, diagnostics and optimal care, particularly in Europe but also across many destinations worldwide, is to be found within the regulated environment of state hospitals. Whilst they don't always look as nice as some private facilities, we have experience of good clinical outcomes without the risk of a patients' health being compromised by commercial interest, or immoral and dangerous practices such as extortion, detainment and withdrawal of treatment. If **you** would like to know more about **our** approach to best medical care overseas and repatriation planning, please visit **our** website <https://philosophies.tifgroup.co.uk/>

IN THE EVENT THAT YOU DO RECEIVE OUTPATIENT TREATMENT WHEN YOU ARE TRAVELLING:

in European Union Countries – if **you** present **yourself** at a public facility **you** should show **your** EHIC;
in Australia – **you** should enrol for Medicare, and have it accepted.

*Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and **your** standard policy deductible will be waived from any claim **you** may then make. If **you** are unable to use the EHIC, **you** will have to pay the medical facility and submit a claim when **you** get **home**, the policy deductible will then be applied.*

in Turkey, Cyprus, Egypt and Bulgaria, we utilise the services of Charge Care International who can arrange for the bill to be paid directly. **You** simply fill in a Charge Care form in the medical facility to confirm the nature of the treatment received and pay **your** policy deductible to the facility.

They will then send the remaining bill directly to Charge Care for payment. www.chargecare.net **everywhere else in the World** – if there is no suitable public facility that will treat **you** free of charge, **you** can pay the medical facility and retain all receipts so that **you** can make a claim when **you** get **home**.

Please note: If the costs are likely to exceed £500 or you are admitted to a hospital, you should then call us on +44 (0)333 003 7181

WHAT TO DO IF YOU HAVE A MEDICAL EMERGENCY WHEN YOU ARE AWAY

PLEASE NOTE:

This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private facilities if **we** have confirmed that medically capable public facilities are available.

IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency treatment or management regardless of their ability to pay or any other consideration, a failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

YOU SHOULD THEN CALL US ON +44 (0)333 003 7181

Whilst the actual medical care **you** receive is the hands of the local doctors attending **you**, **we** can obtain the medical information **we** need from them to establish what is wrong, as well as their treatment and discharge plans. **We** can support **you** in the event **you** are admitted to a facility that may not be suitable for **your** clinical needs or where there are concerns over practice. **We** will then advise on, and can put in place, suitable repatriation plans to get **you home** as soon as it is medically safe to do so. **We** will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to **your** individual needs and **your** recovery.

It is important that you are aware of the following:

Medical Treatment

- There is no cover for:
 - routine, non-emergency or elective treatment
 - or treatment that can wait until your return home.
- Our doctors are not treating you; they are not responsible or in control of the clinical care **you** are receiving in a medical facility.
- In some instances, **you** may need to be moved from one local facility to another larger/more specialised facility, for treatment.
- Having travel insurance does not ensure a 'fast track' medical service from the treating facility, much like the NHS – emergency rooms can be busy at certain times and so it is possible **you** may have to wait as **you** would in **your** local NHS hospital, unless **you** require critical care.
- Once **you** are discharged from hospital this does not always mean **you** are fit to fly home – For example, if **you** were in the UK and suffered the same injury/illness, then **you** would not consider flying out on holiday so soon after surgery/treatment/incident.

Repatriation (bringing you home)

- Coming home straight away is not always an option even if **you** are considered 'fit to fly' by the treating doctor.
- **We** have a medical team with experience of aviation medicine who will advise on both the timing and method of repatriation that is best suited to **your** individual needs and **your** recovery.
- Most airlines require specific criteria to be met in order to accept a 'medical passenger'.
- Things change – if **your** health, stability or vitals change – then so do the plans.
- Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year.
- Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the UK, if treatment is not possible where they are.

Reciprocal health agreements with other countries

EU, EEA or Switzerland

If **you** are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland **you** are strongly advised to obtain an European Health Insurance Card (EHIC) by completing an application form via www.ehic.org.uk. **You** can also apply by telephoning the EHIC application line on 0300 330 1350. This will entitle **you** to benefit from the reciprocal health care arrangements which exist between countries within the EU/EEA or Switzerland.

If **we** agree to pay for a medical expense which has been reduced because **you** have used either a European Health Insurance Card or private health insurance, **we** will not deduct the policy excess under Section B – Emergency medical expenses abroad.

Please note: The European Health Insurance Card (EHIC) is not available to residents of the **Channel Islands** or **Isle of Man**.

Australia

If **you** need medical treatment in **Australia**, **you** should enrol with a local MEDICARE office. **You** do not need to enrol when **you** arrive, but **you** should do this after the first occasion **you** receive treatment. In-patient and out-patient treatment at a public hospital will then be available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website on www.medicareaustralia.gov.au. Alternatively, please call the **tifgroup-assistance** helpline for guidance.

If **you** are admitted to hospital, **you** must contact the **tifgroup-assistance** helpline as soon as possible and get their authorisation in respect of any treatment NOT available under MEDICARE.

A note to all insured people, doctors and hospitals

This is not a private medical insurance. If **you** need any medical treatment, **you** must tell us immediately or **we** may not guarantee medical expenses. If **you** need any medical treatment, **you** must allow us or **our** representatives to see all of **your** medical records and information.

There is no cover for any claims under Section B – Emergency medical expenses abroad and Section C – Hospital benefit within **your home area**.

 - b. cancellation of a pre-paid excursion booked in **your home area** up to £250 is necessary and unavoidable or
 - c. the **trip** is **curtailed** or interrupted before completion

 - b. any person with whom **you** are travelling or have arranged to travel with
 - c. any person whom **you** have arranged to stay with

 - e. **your close business associate**.
 2. Compulsory quarantine, jury service attendance or being called as a witness (but not as an expert witness) at a Court of Law of **you** or any person who **you** are travelling with or have arranged to travel with.
 3. Redundancy (provided employment has been on a continuous full time basis with the same employer for at least 24 months and qualifies for payment under current redundancy payment legislation and, at the time of booking the **trip** or purchasing this policy, there was no reason to believe anyone would be made redundant) of **you** or any person who **you** are travelling with, or have arranged to travel with.
 4. **You** or any person who **you** are travelling with, or have arranged to travel with, are a member of the Armed Forces, Territorial Army, Police, Fire, Nursing or Ambulance Services or employees of a Government Department and have **your**/their authorised leave cancelled or are called up for operational reasons, provided that such cancellation or **curtailment** could not reasonably have been expected at the time when **you** purchased this insurance or at the time of booking any **trip**.
 5. A government directive prohibiting all travel to, or recommending evacuation from, the country or area **you** were planning to visit or were staying in, as a result of natural disasters (such as earthquakes, fires, tsunamis, landslides, floods, hurricanes or epidemic(s) / pandemic(s)).

Special conditions relating to claims

1. **You** must get (at **your** own expense) a medical certificate from a **medical practitioner** and the prior approval of the **tifgroup-assistance** helpline to confirm the necessity to return **home** prior to **curtailment** of the **trip**, due to death, **bodily injury**, illness, disease or complications arising as a direct result of pregnancy.
2. If **you** fail to notify the travel agent, tour operator or provider of transport or accommodation as soon as **you** find out it is necessary to cancel the **trip** the amount **we** will pay will be limited to the cancellation charges that would have otherwise applied.
3. If **you** cancel the **trip** due to:
bodily injury, illness, disease, a new **medical condition** or complications arising as a direct result of pregnancy, **you** must provide (at **your** own expense) a medical certificate from a **medical practitioner** stating that this necessarily and reasonably prevented **you** from travelling.
We need the medical certificate completed as soon as **you** find out it is necessary to cancel the **trip**, as any delay in seeing a **medical practitioner** could mean that **your** symptoms are no longer present. If **you** cannot get an immediate appointment, please make one for as early as possible and keep all details of this to help substantiate **your** claim.
4. On the condition that you contact **tifgroup-assistance** first, and **tifgroup-assistance** making all the travel arrangements, **we** will pay necessary additional travelling costs incurred in returning **you home** in the event **you** have a valid curtailment claim.
5. **We** will only consider the unused expenses of a person who has taken out insurance cover with Flexicover. For example, if **you** are travelling with someone who is not insured, **we** only pay **your** proportion of costs, not theirs.

What is not covered

1. The policy excess as shown in the summary of cover for each and every claim per incident claimed for under this section by each **insured person**.
2. Any claim if, at the time **your** policy starts or booking a **trip**, whichever was the later, any person on whom the **trip** depends, including the person with whom **you** are travelling or have arranged to travel, a person with whom **you** have arranged to reside temporarily, a **close relative**, friend or **close business associate**, had a medical condition for which he or she:
 - a. was receiving treatment at hospital (other than where they go to hospital for check-ups for a stable condition, at regular intervals which have been arranged beforehand);
 - b. was waiting for a hospital consultation, investigations or treatment (other than where they go to hospital for check-ups for a stable condition, at regular intervals which have been arranged beforehand);
 - c. had been given a terminal prognosis, or been told that their condition was likely to get worse in the next 12 months.
3. The cost of **your** unused original tickets where the Emergency Assistance Service or **we** have arranged and paid for **you** to come **home** following **curtailment** of the **trip**. If however **you** have not purchased a return ticket, **we** reserve the right to deduct the cost of an economy flight from any additional costs **we** have incurred which are medically necessary to repatriate **you** to **your home**.
4. Any costs relating to airport taxes, air passenger duty, airport charges, service charges, facility charges, user fees or security charges or airport departure duty (whether irrecoverable or not).

9. The provider (for example, an airline, hotel, ferry company and so on) not providing any part of the **trip you** have booked, (this could be a service or transport) unless the event is covered by this policy. If this happens, **you** should claim against the provider.

15. Anything mentioned in the General exclusions on page 6.

You should also refer to the Important conditions relating to health on page 5.

Please remember

We will work out claims for cutting short **your** holiday from the day **you** return to **your home area** (or **your** final country if **you** are on a **one-way trip**), or from the day **you** have to go into hospital as an inpatient to the day **you** are discharged. **Your** claim will only be based on the number of full days **you** have not used.

Any other **relevant information** relating to the claim that **we** may ask **you** for.

Section B – Emergency medical expenses abroad (not Private Health Insurance)

Please be aware that this is a travel insurance policy and not private medical insurance, this means there is **no cover** for any medical expenses incurred in private facilities if **we** have confirmed that medically capable public facilities are available.

This section provides insurance for emergency medical costs not covered under a reciprocal health agreement between the government of the **UK** and that of **your** country of loss including costs covered by the European Health Insurance Card (EHIC). This is not Private Medical Insurance.

Please note: The European Health Insurance Card (EHIC) is not available to residents of the **Channel Islands** or **Isle of Man**.

What is covered

We will pay **you** up to the amount shown in the summary of cover for the following expenses which are necessarily incurred within 12 months of the incident as a result of **you** suffering unforeseen **bodily injury**, illness, disease and/or compulsory quarantine:

1. Emergency medical, surgical, hospital, ambulance and nursing fees and charges incurred outside of **your home area**.

This includes, with the prior authorisation of the **tifgroup-assistance** helpline, reasonable additional transport and/or accommodation expenses for a **travelling companion**, friend or **close relative** to stay with **you** or travel to **you** from **your home area** or escort **you**, and additional travel expenses to return **you** to **your home area** or a suitable hospital nearby if **you** cannot use the return ticket.

5. With the prior authorisation of the **tifgroup-assistance** helpline, the additional costs incurred in the use of air transport or other suitable means, including qualified attendants, to repatriate **you** to **your home area** if it is medically necessary. When travelling in **your home area**, if **you** are hospitalised 50 miles or more from **home**, either through sudden illness or accident, **we** will arrange and pay for **your** transfer to a suitable hospital near **your home** when it becomes medically feasible.
