Calls may be recorded and monitored

### What to do in the case of a Medical Emergency abroad

**In case of serious emergency** – First call an ambulance using the local equivalent of a 999 call or alternatively by dialling 112 within the EU. While **you** wait for the ambulance contact **our medical assistance service** which is open 24 hours a day and 7 days a week to offer **you** advice in this emergency situation. **We** strongly suggest **you** put their telephone number **+44 (0)203 829 6745** into **your** mobile phone before **you** travel so that it is to hand should **you** need it. Speak to the ambulance driver and get details of the hospital **you** are being taken to so that **our medical assistance service's** doctor will be able to obtain a medical report at the earliest possible opportunity if necessary.

**What the medical assistance company needs from you** - When **you** call **our medical assistance service** in an emergency **you** need to have some basic information for them to hand:

- **your** telephone number so **you** can be contacted on in case **you** are cut off
- the name and age of the patient and as much information about the medical situation as **you** are able to provide
- the name of the hospital, the ward, the treating doctor and the telephone numbers if **you** have them
- **your** policy number and details of **your** booked travel arrangements
- the patient's GP details, name, address and phone number, in case they need to obtain information on current **medical conditions** and treatment.

**Minor illness or injury** - If **you** need to see a doctor in Europe or Scandinavia then ask **your** hotel reception or tour representative for the address of the nearest public medical facility. In Europe **you** should show them **your** EHIC card, medical treatment will be free or at a reduced cost and **you** will not be required to contribute towards the claim as the policy excess will be reduced to **NIL**. **You** will only be covered for the cost of private medical treatment in these countries if this is approved in advance by **our medical assistance service** on **+44 (0)203 829 6745**. Elsewhere it is advisable to seek advice on where to go for treatment from **our medical assistance service** if possible, as standards of medical facilities vary greatly and many apparently acceptable clinics which have been set up to target the tourist market and will ruin **your trip** by insisting on unnecessary admissions and treatment at inflated prices. In some circumstances it may be necessary for **our medical assistance service** to move **you** to a more suitable facility.

**How to pay for your treatment** - Outpatient bills for less than **£500** should be paid at the time and claimed on **your** return. It is very important to obtain an itemised receipt for any monies paid for medical treatment. If **you** are admitted to a medical facility then **you** may need to pay the policy excess locally and ask the hospital or doctor to send the rest of their bills to: Travel Insurance Claims Department, P J Hayman & Company Limited, Stansted House, Rowlands Castle, Hampshire PO9 6DX.

**Our medical assistance service** will explain this procedure to them and provide them with billing instructions if necessary, once the validity of **your** claim has been established.

**What happens if i miss my booked flight due to illness?** - Don't worry, provided **you** have contacted **our medical assistance service** **your** policy will be automatically extended to cover **you** until it is agreed that **you** are fit to travel **home**. **Our** medical assistance service will liaise with **your** treating doctor and **you** and once **you** are fit to travel, they will make appropriate alternative arrangements.

**What if you want to come home early?** - This policy covers **you** to come home early because **you** are ill **only** if medical treatment is not available locally. If **you** are thinking of cutting short **your trip** because **you** are not well then **you** must contact **our medical assistance service** on **+44 (0)203 829 6745** for advice first. If **you** need to come home for any other reason, such as the illness of a **close relative** in **your home country** then **you** should make **your** own arrangements, bearing in mind **your** duty to act at all times as if uninsured. If **you** are not sure whether **your** particular circumstances are included in the cover then call Travel Insurance Claims Department, on **+44 (0)2392 419 879** between 9.00am and 5.00pm UK time for advice.

Please read this policy and carry it with you during your trip

## Reciprocal Health Arrangements

**European Health Insurance Card (EHIC)** - the EHIC allows **you** to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge, provided **you** are a **UK** or **BFPO resident** (please note if **you** reside in the Isle of Man or the **Channel Islands** **you** are not eligible for an EHIC). **You** must carry it with **you** when travelling abroad. Remember to check **your** EHIC is still valid before **you** travel. Applying on [www.ehic.org.uk](http://www.ehic.org.uk) for the card is free and it is valid for up to five years. If **your** EHIC is accepted whilst obtaining medical treatment abroad **your** policy excess will be reduced to NIL (with the exception of any increased excess relating to declared **medical conditions**). If **you** are travelling outside the EEA then there are some countries that have reciprocal agreements with the **UK** and these can be found on: [www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx](http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEAcountries/Pages/Non-EEAcountries.aspx)

**Medicare** - if **you** are travelling to Australia **you** must register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle **you** to reduced medical charges from doctors, reduced prescription charges and access to Medicare hospitals. For more information on Medicare: visit: [www.medicareaustralia.gov.au](http://www.medicareaustralia.gov.au) or email: [medicare@medicareaustralia.gov.au](mailto:medicare@medicareaustralia.gov.au)

Note: if **you** make use of these arrangements or any other reciprocal health arrangement which reduces **your** medical expenses, **you** will not have to pay an excess.

## Important Conditions Relating to Your Health

### Medical Screening

It is a condition of this policy that unless **you** have been given **our** agreement **you** will not be covered. **You** must contact **our** Medical Screening Service on **02392 419 080** if **you** or anyone else to be insured on this policy answer 'YES' to the following:

- are **you** or anyone else to be insured on this policy waiting test results or have any **medical condition** for which **you** are on a waiting list for or have knowledge of the need for surgery, inpatient treatment, investigation or been referred to a specialist consultant, or have any **medical condition** **you** are aware of but for which **you** have not had a diagnosis?
- have **you** or anyone else to be insured on this policy received a terminal prognosis?
- is anyone insured on this policy travelling against the advice of a medical practitioner or travelling for surgery, treatment or investigations?

Please answer the following questions. If **you** or anyone else to be insured on this policy answer 'YES' to any of these **you** will need to go through **our** medical screening process by contacting **our** Medical Screening Service on **02392 419 080**. If **you** are not sure of any of the information **you** are giving **us** or do not know the answer, please check with the treating G.P.

Have **you** or anyone else to be insured on this policy:

- ever been treated for any respiratory condition (relating to the lungs or breathing); any heart or heart related condition; any circulatory condition; any kidney, renal or liver condition; any condition relating to the pancreas e.g. diabetes; any neurological condition (including stroke or epilepsy); any malignant condition e.g. cancer or any psychiatric or psychological condition?
- received any surgery, inpatient or outpatient treatment or had any tests or investigations in a hospital or clinic or been seen by a specialist consultant within the last 2 years?
- been prescribed medication for any **medical condition** in the last 5 years?

Any **medical condition(s)** not declared to and accepted by **us**, will not be covered.

### Change in health of an insured-person

1. If **your** health changes after **you** purchased **your** policy but before **you** commence **your trip** (or in the case of Annual Multi-trip cover before booking **your next trip**) or pay the balance or any further instalments for **your trip**, **you** must tell **us** about these changes, if:

- **you** have seen a medical practitioner because **you** develop a new **medical condition**, **your** prescribed medication changes or an existing **medical condition** deteriorates;
- **you** have seen or been referred to a consultant or specialist;
- **you** are waiting to receive treatment (including surgery, tests or investigations) or the results of tests and investigations, or have been admitted to hospital.

**We** will then tell **you** if **we** can cover **your medical condition(s)** free of charge or for an additional premium.

2. If **we** cannot cover **your medical condition(s)**, or **you** do not want to pay any additional premium quoted, **we** will give **you** the choice of either:

- making a cancellation claim for any pre-booked **trips**; or
- cancelling **your** policy and receiving a proportionate/partial refund, provided that **you** have not made a claim or are about to.

**Individuals with whom you are travelling or have arranged to travel, a person with whom you have arranged to reside with temporarily, a close relative or close business associate, who are not insured under the policy**

If, at the time **your** policy starts or booking a **trip**, whichever was the later, any person on whom the **trip** depends including the person with whom **you** are travelling or have arranged to travel, a person with whom **you** have arranged to reside with temporarily, a **close relative**, friend or close **business associate** had a **medical condition** for which he or she:

- was receiving treatment at hospital (other than where they go to hospital for check-ups for a stable condition, at regular intervals which have been arranged beforehand);
- was waiting for a hospital consultation, investigations or treatment (other than where they go to hospital for check-ups for a stable condition, at regular intervals which have been arranged beforehand);
- had been given a terminal prognosis, or been told that their condition is likely to get worse in the next 12 months.

We will not pay for any claim **you** (or any **insured-person**) make under Section A1 - Cancellation or B3 - Curtailment/Loss of Holiday, that has anything to do with the **medical condition** of that person.

### Pregnancy

**Our** policies include emergency medical expenses cover for pregnancy and childbirth from week 0 to week 28 inclusive whilst **you** are away. From the start of week 29 to week 40 of the pregnancy, there is no cover for claims relating to normal pregnancy and normal childbirth or cancellation, however, medical expenses and cancellation cover will be provided if any of the following complications arise: Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, Emergency Caesarean. A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if **you** know **you** are having more than one baby) before the expected delivery date. Please note **we** will not cover denial of boarding by **your** carrier so **you** should check that **you** will be able to travel with the carrier/airline in advance. It is essential, if at the time of booking **your trip** **you** are aware that **you** are pregnant, that **you** ensure that **you** are able to have the required vaccinations for that **trip**; no cover will be provided for cancellation in the event that, after booking **you** discover travel is advised against or **you** are unable to receive the appropriate and required vaccinations for that country.

### Your policy wordings

**Your** insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, information on what to do if **you** need to claim, how to obtain legal advice and how to contact the 24 hour emergency *medical assistance service*.

**Your** travel insurance policy is not intended to cover items of high value, such as video camcorders, expensive watches etc., as these should be fully insured under **your** house contents insurance on an All Risks extension for 365 days of the year. There is a maximum amount **you** can claim for each individual item. There is a maximum amount in total for **valuables** which is shown under the **personal possessions** section. The **personal possessions** section is *not* 'new for old' and wear, tear and depreciation will be deducted.

**Your** policy covers treatment of **medical conditions** in an emergency and which will respond quickly to treatment. It is not intended to cover **you** for recurrent or long term treatment and in these circumstances, bearing in mind the advice given by **our** Chief Medical Officer, **we** reserve the right to transfer **you** to a state hospital, where adequate facilities are available, or repatriate **you** to **your home country**.

The policy is a contract between **us** and **you**.

**We** will pay for any insured event, as described in the policy, that happens during the period of validity and for which **you** have paid the appropriate premium.

Travel insurance policies have specific requirements for both purchasing and making successful claims. Please take the time to read and understand it straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered).

All numbers and letters shown under 'For each **insured-person** this insurance will not cover' refer to the same numbers and letters under 'For each **insured-person** this insurance will pay'. Where no letters or numbers are shown it applies to the whole section.

If **your** circumstances do not fit those specified then there is no cover in place.

### Your excess

Under some sections of the policy an excess will apply to each claim, per section, for each separate incident payable per **insured-person**. This means that **you** will be responsible for paying the first part of the claim for each incident giving rise to a separate claim. The amount **you** have to pay is the excess.

### Extension of period

In the event of **your** death, injury or illness or that of anyone travelling with **you** or because of delay or failure of **public transport** services **you** are unable to complete the **trip** before the expiry of this policy the cover will be automatically extended without additional premium for the additional days necessary for **you** to complete the **trip**.

### Expiry of your policy

If **you** have Annual Multi-trip cover, **we** will contact **you** prior to the expiry of the period of insurance as shown on **your** Policy Schedule.

**We** will give **you** at least 21 days written notice before the expiry date should this happen.

## Sports & Activities

Unlike other policies **we** cover many sports and activities as standard; no additional premium is required for the activities listed below.

If **you** do not see **your** chosen activity, do not worry, **we** may cover it, but **you** must contact **us** so **we** can discuss the activity and what, if any, additional premium is necessary. Please contact **us** on **02392 419 080** (8am-6pm Monday to Friday, closed Bank Holidays) to ensure **you** are properly covered.

The activities are covered on the basis that **your** chosen activity is not the sole purpose of **your trip** (with the exception of winter sporting activities whereby **you** can opt to have specific cover included for the entire duration of **your trip**).

All of the activities are covered on a non-professional and non-competitive basis, unless otherwise stated. **We** consider 'professional or competitive' to be activities or sports where **you** are either paid for participating in, receive any element of sponsorship, fees or prize money in excess of **£200**. Any claims which arise whilst undertaking any of these activities for any purpose other than leisure (examples of non-leisure purposes include professional / semi-professional / paid / sponsored racing, timed events - unless otherwise specified, professional, display events, photo shoots, etc...) will not be covered under this policy.

If **you** intend to participate in any sport or leisure activity **you** must ensure that:

- **your** usual treating G.P. is happy for **you** to do so;
- **you** follow the safety guidelines for the activity concerned and where applicable **you** use the appropriate and recommended safety equipment. This would include the use of safety helmets, life jackets, safety goggles and protective clothing where appropriate.

Safety guidelines provided from a professional event company or organiser must be followed. Failure to do so will invalidate a claim.

Please Note: those activities marked in *italics and underlined* do not have Personal Accident or Personal Liability cover.
