Introduction

Welcome to your Direct2Insure Insurance policy

<u>Please note:</u> Terms shown in bold in this policy have the meanings given to them in the general definitions section on pages 20 and 21.

This policy wording is only valid when issued in conjunction with a Direct2Insure Insurance **policy certificate** and provided the required insurance premium has been paid.

The following cover is provided for each **insured person**. It is important that **you** refer to the individual sections of cover for full details of what **you** are entitled to should **you** need to make a claim. The sum insured and the excess applicable to any claim made will depend upon the level of insurance **you** have purchased. **Your policy certificate** will show whether **you** have bought Essential cover or Comprehensive cover.

Your policy certificate will also show whether you have purchased any additional sections of cover as outlined in the table of benefits on pages 4 and 5.

If your trip is solely within the **United Kingdom**, cover under some of the sections listed below will not apply. Please refer to the individual section within the policy wording for full details.

Foreign, Commonwealth & Development Office (FCDO) Advice

This insurance policy will <u>not</u> cover **you** to travel to a specific country or to an area where, prior to **your trip** commencing, the Foreign, Commonwealth & Development Office (FCDO) have advised against all (or all but essential) travel. This exclusion does <u>not</u> apply where **your** destination is within Europe 1 or Europe 2 (see the 'Geographical Areas' on pages 13 & 14) and where the Foreign, Commonwealth & Development Office (FCDO) have advised against all (or all but essential) travel solely due to the **Coronavirus** risk.

It is **your** responsibility to check the latest advice from the FCDO prior to commencing **your trip**, which **you** can find at https://www.gov.uk/foreign-travel-advice.

Claims arising from alcohol

We do not expect you to avoid alcohol during your trip, but we will not cover any claim arising from excessive alcohol consumption by which we mean where you have drunk so much alcohol that a doctor has stated that your alcohol consumption has caused or actively contributed to your injury or illness, the results of a blood test at the time of injury or illness shows that your blood alcohol level exceeds 0.19% that is approximately 1.5 litres of beer or four 175ml glasses of wine; a witness report of a third party that has advised that you have notably impaired your faculties and/or judgement. Please refer to general exclusions 27, 28 and 29 on page 24.

This is not a private medical insurance policy and is only designed to cover you for emergency treatment

Your Direct2Insure travel insurance policy is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred, unless these have been specifically agreed and authorised by the Medical Emergency Assistance Company as part of a medical emergency covered by this policy.

This policy is only designed to cover **you** for emergency treatment. Emergency treatment means unforeseen and unplanned treatment that is needed for the sudden onset of an acute condition, which for medical reasons and in the opinion of **our** Medical Emergency Assistance Company, cannot be delayed until **you** return to the **United Kingdom**. The decision of the Medical Emergency Assistance Company is final.

An acute condition means: A disease, illness or injury that is likely to respond quickly to treatment which aims to return **you** to the state of health **you** were in immediately before suffering the disease, illness or injury, or which leads to **your** full recovery.

Claims for reimbursement of costs

This insurance policy will only respond to claims for **irrecoverable costs** once those principally responsible for reimbursing the cost have been exhausted. For example transport and accommodation costs – **You** should, in the first instance, contact **your** tour operator, airline, accommodation provider, credit or debit card providers to source a refund, as in most instances, either as a result of the Package Travel & Linked Arrangement Regulations 2018; EU Transport Regulations; Consumer Credit Act; or Debit card charge backs, a refund is legally due.

IMPORTANT INFORMATION

We draw your attention to the exclusions detailed in the 'General Exclusions' section, in particular, exclusions 37 and 38, as this policy will NOT provide cover for any claims directly or indirectly related to a pandemic and/or epidemic, including but not limited to Coronavirus.

Please note: General exclusion 37 applies to all sections of cover, whilst General Exclusion 38 applies to all sections of cover with the exception of Section B1 – Medical and other expenses outside of the United Kingdom, Section B2 – Expenses within the United Kingdom, Section T1 - Cancelling your trip due to Coronavirus and Section T2 – Cutting your trip short due to Coronavirus); provided that you have received the recommended number of doses of an approved Coronavirus vaccine 14 days prior to your trip commencing. This vaccination requirement shall not apply where you were ineligible for vaccination, or unable to receive the vaccine for medical reasons, and this is shown in your medical records. You should also refer to general exclusion 19.

Please be aware: There is no cover under this policy if (having no symptoms of or you not testing positive for Coronavirus) you are advised to quarantine or you choose to self-isolate due to a person you have come into contact with testing positive for Coronavirus.

You and all other persons insured on this policy must have your main home in the United Kingdom and have a United Kingdom National Insurance number (when aged 16 years of age or older) and be registered with a doctor in the United Kingdom at the time you buy this policy.

Residents of the Isle of Man must have their main home in the Isle of Man and be registered with a local doctor.

Health agreements

European Health Insurance Card (EHIC)/Global Health Insurance Card (GHIC)

The EHIC allows **you** to access state provided healthcare in all European Economic Area (EEA) countries and Switzerland. **Your** EHIC will be accepted for the remainder of its validity. From 4th January 2021, if **you** do not have a valid EHIC **you** will need to apply for a GHIC but please be aware that the GHIC does not cover Switzerland, Iceland, Liechtenstein or Norway. For more information or to apply for **your** GHIC: online at www.dh.gov.uk/travellers or by telephoning 0845 606 2030.

Presenting your EHIC/GHIC at a public medical facility will allow you to obtain treatment at a reduced cost and in many cases free of charge, provided you are a UK resident (please note if you reside in the Isle of Man or the Channel Islands you are not eligible for an EHIC/GHIC). You must carry it with you when travelling abroad. Remember to check your EHIC/GHIC is still valid before you travel.

If you are travelling outside the EEA then there are some countries that have reciprocal agreements with the **UK** and these can be found on: www.gov.uk/guidance/uk-reciprocal-healthcare-agreements-with-non-eu-countries.

Australia or New Zealand

If you require medical treatment in Australia you must enrol with a local MEDICARE office. You do not need to enrol on arrival but you must do this after the first occasion you receive treatment. In-patient and out-patient treatment at a public hospital is then available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE Website on www.humanservices.gov.au/medicare or by emailing: medicare@humanservices.gov.au.

If you require medical treatment in New Zealand, there are reciprocal agreements, but a person may not enrol with a Primary Health Organisation (PHO). They should get the same health subsidies as a New Zealand citizen visiting a general practitioner as a casual patient, if the **doctor** has decided the condition needs prompt attention. For more information, please go to www.health.govt.nz or email: info@health.govt.nz

Alternatively please call the Medical Emergency Assistance Company for guidance.

If **you** are admitted to hospital contact must be made with the Medical Emergency Assistance Company as soon as possible and their authority obtained in respect of any treatment NOT available under MEDICARE or a Primary Health Organisation (PHO).

In the event of liability being accepted for a medical expense which has been reduced by the use of either a EHIC/GHIC, Medicare in Australia or private health insurance, **we** will not apply the deduction of the policy excess under section B1 (Medical and other expenses outside of the United Kingdom).

Travel delays - EC Regulations

This policy is not designed to cover costs which are met under the EC Regulation No. 261/2004. Under this Regulation if **you** have a confirmed reservation on a flight, and that flight is delayed by between 2 and 4 hours (length of time depends on the length of **your** flight) the airline must offer **you** meals, refreshments and hotel accommodation. If the delay is more than 5 hours, the airline must offer to refund **your** ticket. The Regulations should apply to all flights, whether budget, chartered or scheduled, originating in the EU, or flying into the EU using an EU carrier.

If your flight is delayed or cancelled, you must in the first instance approach your airline and clarify with them what costs they will pay under the Regulation.

If you would like to know more about your rights under this Regulation, additional useful information can be found on the Civil Aviation Authority website (www.caa.co.uk).

Trip extensions

Trip extensions if you decide you wish to extend your trip whilst overseas

If, once you have left the United Kingdom and before the end of the period of cover, you decide you want to extend your policy, please contact Direct2Insure Customer Services on 0330 880 3652 or by e-mailing enquiries@brokersure.com.

Extensions can usually only be considered, if there has been no change in **your** health (or that of a **relative** or **business associate**) and no claim has been made or is intended to be made and no incident likely to give rise to a claim has occurred. However, should there have been a change in **your** health or **you** are aware that a claim has been made or will need to be made under the original policy then **we** may still be able to consider the extension provided full details are disclosed to Direct2Insure Customer Services for consideration.

Trip extensions if you are unable to return home from your trip as planned

If, due to unexpected circumstances beyond **your** control, for example, due to illness, testing positive for **Coronavirus**, injury or unavoidable delays affecting **your** return flight or **public transport**, **your trip** cannot be completed within the **period of cover** outlined in **your policy certificate**, cover will be extended for **you** at no extra cost for up to thirty (30) days.

This also applies to:

- a) one person travelling with **you** who is authorised to stay with **you** by the Medical Emergency Assistance Company if the extension is due to medical reasons; or
- b) one parent (who is an insured person on this policy) to stay with you and travel home with you, where you are aged under 18 years (at the time of the incident) and you test positive for Coronavirus within fourteen (14) days of your booked trip return date and as a result you are unable to return to the home as planned; or
- c) one insured person who acts as your carer to stay with you and travel home with you.

All requests for more than thirty (30) days must be authorised by the Medical Emergency Assistance Company. Please see Medical and other emergencies on page 16 for details of how to contact the Medical Emergency Assistance Company.

Trip extensions – travel disruption caused by a pandemic/epidemic (including coronavirus)

If, as a result of a **pandemic** and/or **epidemic** (including but not limited to **Coronavirus**), **you** are unable to return to the **UK** as planned, due to:

- a) a country closing their borders and/or
- b) the cancellation or delay of your booked public transport

and as a result you wish to extend coverage under your current policy, please contact Direct2Insure Customer Services on: 0330 880 3652 or e-mail: enquiries@brokersure.com. We will need full details of your circumstances, to allow us to consider any such request. Please be aware, that all such extension requests will be considered, but cannot be guaranteed.

Medical and other emergencies

Your Direct2Insure insurance policy is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred unless these have been specifically agreed and authorised by the Medical Emergency Assistance Company.

This policy is only designed to cover **you** for emergency treatment. Emergency treatment means unforeseen and unplanned treatment that is needed for the sudden onset of an acute condition, which for medical reasons and in the opinion of **our** Medical Emergency Assistance Company, cannot be delayed until **you** return to the **United Kingdom**. The decision of the Medical Emergency Assistance Company is final.

An acute condition means: A disease, illness or injury that is likely to respond quickly to treatment which aims to return **you** to the state of health **you** were in immediately before suffering the disease, illness or injury, or which leads to **your** full recovery.

The Medical Emergency Assistance Company will provide immediate help if **you** are ill, injured or die outside the **United Kingdom**. They provide a 24-hour emergency service 365 days a year. The contact details are as follows:

Phone: + 44 (0)1444 465570

E-mail: 247assistance@imglobal.com

Please have the following information available when **you** (or someone on **your** behalf) contact the Medical Emergency Assistance Company so that **your** case can be dealt with swiftly and efficiently:

- Your name and address;
- Your contact phone number abroad including the hospital and treating doctors details;
- · Your policy number shown on your policy certificate; and
- The name, address and contact phone number of your GP.
- Quote the scheme name which is: Direct2Insure.

<u>Please note:</u> This is not a private medical insurance. If **you** go into hospital abroad and **you** are likely to be kept as an in-patient for more than twenty four (24) hours or if **your** outpatient treatment is likely to cost more than £500, someone must contact the Medical Emergency Assistance Company for **you** as soon as reasonably possible. If they do not, **we** may not provide cover or **we** may reduce the amount **we** pay for **your** in-patient or outpatient treatment.

In the event that **you** require in-patient hospital treatment and/or evacuation / repatriation, it is imperative that the Medical Emergency Assistance Company is contacted and authorisation obtained prior to such treatment and/or evacuation / repatriation taking place.

Failure to contact the Medical Emergency Assistance Company and obtain authorisation may prejudice the claim and could mean that some or all of the costs involved may not be paid. **You** should not attempt to find **your** own solution and then expect full reimbursement from **us** without prior approval first having been obtained from the Medical Emergency Assistance Company.

If you have to return to the **United Kingdom** under section C (Cutting your trip short) or section B1 (Medical and other expenses outside of the United Kingdom) the Medical Emergency Assistance Company must authorise this. If they do not, **we** may not provide cover or **we** may reduce the amount **we** pay for **your** return to the **United Kingdom**.

General conditions

The following conditions apply to all sections of this insurance.

- You must tell us if you know about anything which may affect our decision to accept your insurance (for example, if you are planning to take part in a dangerous activity while you are on holiday).
- 2. You must comply with the 'Important conditions relating to health' on pages 7, 8 and 9.
- 3. You must take all reasonable steps to avoid or reduce any loss which may mean that you have to make a claim under this insurance. (For example, if you receive hospital treatment in a European Union country, you should produce your European Health Insurance Card (EHIC) or Global Health Insurance Card (GHIC), if you have one).
- 4. **You** must give Claims Settlement Agencies all the documents they need to deal with any claim. **You** will be responsible for the costs involved in doing this. For example, in the event of a cancellation claim **you** will need to supply proof that **you** were unable to travel, such as a medical certificate completed by **your doctor**.
- 5. **You** must help **us** get back any money that **we** have paid from anyone or from other insurers (including the Department for Work and Pensions) by giving **us** all the details **we** need and by filling in any forms.
- 6. This insurance policy will only respond to claims for irrecoverable costs once those principally responsible for reimbursing the cost have been exhausted. For example transport and accommodation costs You should, in the first instance, contact your tour operator, airline, accommodation provider, credit or debit card providers to source a refund, as in most instances, either as a result of the Package Travel & Linked Arrangement Regulations 2018; EU Transport Regulations; Consumer Credit Act; or Debit card charge backs, a refund is legally due.
- 7. Any fraud, deliberate mis-statement or hiding of information in connection with the application for this policy or when making a claim will make this policy invalid for the insured person who has committed the fraud, deliberate mis-statement or hid information. In this event, any benefit due to the insured person who has committed the fraud, deliberate mis-statement or hiding of information under this policy will be forfeited and any benefit that has previously been paid to them must be repaid to us in full. We will also under such circumstances not refund any premium paid on behalf of the insured person who has committed the fraud, deliberate mis-statement or hiding of information.
- The insured person must give us permission to obtain any medical reports or records needed from any doctor who has treated the insured person; otherwise we may not pay any claim.
- 9. We may ask the insured person to attend one or more medical examinations. If we do, we will pay the cost of the examination(s) and for any medical reports and records and the insured person's reasonable travelling expenses to attend (and any person required to travel with them), if these expenses are agreed by us in advance. If the insured person fails to attend without reasonable cause, we may reject the claim.
- 10. If an insured person dies, we have the right to ask for a post mortem examination at our expense.
- 11. You must pay us back any amounts that we have paid to you which are not covered by the insurance. This could include any overpayments and payments which you are not entitled to, for example, if your claim for lost luggage has been paid but your suitcase is subsequently returned to you by the airline.
- 12. After a claim has been settled, any damaged items which **you** have sent into Claims Settlement Agencies will become **our** property.
- 13. This policy may not be assigned or transferred unless agreed by **us** in writing. Any attempt to assign rights or interests without **our** written consent is null and void.
- 14. We will not pay any interest on any amount payable under this policy.
- 15. We will deal with claims under section G (Personal accident) in respect of accidental death as follows:
 - a. If an **insured person** is 18 years of age or over any sum's payable will be made to the executor or personal representative of the deceased **insured person's** estate.
 - b. If an insured person is 17 years of age or under any sum's payable will be made to a parent of the deceased insured person.

For the avoidance of doubt, age is at the date the policy is purchased.

- 16. **We** may also contact third parties who have or who were to provide services to the **insured person** (for example, an airline, travel company or hotel) to verify the information provided.
- 17. Only the **policyholder**, an **insured person** (or their **parent** if they are 17 years of age or under or their executor or personal representative in the event of the **death** of an **insured person**) or **us** may enforce the terms of this policy.
- 18. All claims must be notified as soon as is reasonably practical after the event which causes the claim. Failure to do so may result in our rejection of the claim if it is made so long after the event that we are unable to investigate it fully, or may result in you not receiving the full amount claimed for if the amount claimed is increased as a result of the delay.
- 19. Several Liability Notice. The subscribing (re)insurers' obligations under contracts of (re)insurance to which they subscribe are several and not joint and are limited solely to the extent of their individual subscriptions. The subscribing (re)insurers are not responsible for the subscription of any co-subscribing (re)insurer who for any reason does not satisfy all or part of its obligations.

General exclusions

General exclusions apply to all sections of this policy. In addition to these General exclusions, please also refer to 'What you are not covered for' under each policy section and 'Important conditions relating to health' on pages 7, 8 and 9, as these set out further exclusions which apply to certain sections. **We** will not cover the following:
